- **GradeCam/Infinite Campus Options**
  - **Clever**
  - **Campus Ad-hoc Reports**
  - **Campus Data Extract Utility**
- **Duplicate Rosters in GradeCam**
- **Next Steps**

CIITS/IMS GradeCam Integration

- 77 districts currently use CIITS/IMS GradeCam integration

- IMS will sunset after 12/31/2017

- CIITS/IMS GradeCam integration will end for all districts

- Districts will still have access to EDS until 6/30/2018

GradeCam/Campus Integration: Clever

▶ **Clever – 3rd party that simplifies sync between Campus and GradeCam**

▶ **71 districts currently using Clever to sync data between Campus and GradeCam**

▶ **Uses Campus OneRoster API to sync data every 2 hours (Clever-preferred)**

▶ **Existing Clever/GradeCam syncs may be using Campus auto-sync method (runs daily using Campus ad-hoc reports)**

GradeCam/Campus Integration: Campus Ad-hoc Reports

▸ **45 districts currently using Campus to GradeCam sync**

▸ **District may run the ad-hocs manually to update file(s) that are uploaded to GradeCam**

▸ **Uses upload script (from GradeCam) or FTP software to transfer file data output from Campus ad-hoc reports to GradeCam**

▸ **KDE considering creating the necessary ad-hoc reports and publishing to districts**

GradeCam/Campus Integration: Campus Data Extract Utility (DEU)

▶ **All districts have free access to the DEU after Cloud migration**

▶ **DEU can be set to output data from Campus ad-hoc reports for GradeCam on a scheduled basis (e.g., nightly)**

▶ **Could use with the upload script or FTP software to transfer data securely to GradeCam**

Duplicate Rosters in GradeCam

▸ **If currently using CIITS/IMS GradeCam integration, roster data will remain in users' GradeCam accounts and will no longer sync**

▸ **Any scans or data scanned in GradeCam will remain available**

▸ **Data in GradeCam via CIITS/IMS integration will not be available after 12/31/2017**
